

## CABARET Medley

**Willkommen**, Bienvenue, Welcome!

Fremde, étranger, stranger  
Glücklich zu sehen  
Je suis enchanté  
Happy to see you,    Bleibe, reste, stay!

Willkommen! Bienvenue! Welcome!  
Im cabaret, au cabaret, to cabaret!

### (A)

**Money** makes the world go around  
The world go around  
The world go around  
Money makes the world go around  
It makes the world go 'round.

A mark, a yen, a buck or a pound  
A buck or a pound. A buck or a pound,  
Is all that makes the world go around  
That clinking, clanking sound  
Can make the world go 'round.

Money money money money  
Money money money money  
Money money money (continues)

### (B)

If you happen to rich  
And you feel like a night's entertainment  
You can pay for a gay escapade.  
If you happen to be rich and alone  
And you need a companion  
You can ring (ting-a-ling) for the maid.

If you happen to be rich,  
And you find you are left by your lover  
Tho you moan and you groan quite a lot  
You can take it on the chin  
Call a cab and begin to recover  
On your 14-karat yacht! What!?

### (C)

Money makes the world go around  
The world go around  
The (world) go around

Money makes the (world) go around  
Of that we both are sure  
On being poor!

Money money money  
Money money money (etc.) Mon-!

**(D)** When you haven't any coal in the stove  
And you freeze in the winter  
And you curse to the wind at your fate.

When you haven't any shoes on your feet  
And your coat's thin as paper,  
And you look 30 pounds underweight.

When you go to get a word of advice  
From the fat little pastor  
He will tell you to love evermore.  
But when hunger comes to rap

*(at the window)*

Rat-a-tat rat-a-tat at the window,  
See how love flies out the door! For,

**(E)** money makes the world go around  
The world go around  
The world (go around)  
Money makes the world go 'round  
That clinking, clanking sound of  
Money money money money  
Money money money money.  
Get a little, get a little  
Money money money money  
Mark, a yen, a buck or a pound  
That clinking, clanking, clunking sound  
Is all that makes the world go 'round  
It makes the world go 'round!
